

EMPTY SEAT NUMBER 666

The Vacant Seat Number 666 in the European Parliament

The *Tower Building* (named after the *Tower of Babel*) houses the Fifth Parliament of Europe. It is certainly a building of the Space Age. The seats are designed like the crew seats in the *Star Trek* space machines. The legislative amphitheater is arranged in a massive hemicycle and has 679 seats, each assigned to a particular lawmaker. For example, Seat 663 is assigned to Rep Souchet, 664 to Thomas-Mauro, 665 to Zizzner and 667 to Rep Cappato.

While these seats are allocated to Members, **one seat remains unallocated and unoccupied**. The number of that seat is 666. The relevant section of the seating-plan provided to each Member reads as follows:

660 Marchiani
661 Montfort
662 Quiero
663 Souchet
664 Thomas-Mauro
665 Zizzner
666 -----
667 Cappato
668 Turco
669 Bonino
670 Pannella
671 Dupuis
672 Della Vedova

Revelation 13:18 states: "*Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.*" That is 666.

Today this Scripture is being fulfilled before our very eyes. The Antichrist's seat will be occupied. The world awaits his full and final development. The Lord will destroy him by the spirit of His mouth (the Word of God) and by the brightness of His coming (2nd Thessalonians 2:8). The

coming of the Lord draweth nigh.

The Brussels EU Parliament Building

The *European Union* (EU) parliament, consisting of 785 members, is in Brussels, Belgium. Quite magnificent, is it not? Interestingly, the seat numbered 666 is never occupied. Perhaps they are leaving it open for someone special? ... *The Antichrist!*

Here's something really bizarre. The E.U.'s chosen symbol is a *Woman Riding the Beast*...

The above statue is located outside the EU office in Brussels
— A WOMAN RIDING A BEAST!

"...and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns." —Revelation 17:3

The depiction of the same symbol was reproduced on the centenary stamp of the E.U. and in a huge painting in the Parliament's *Tower Building* in Brussels.

The Tower of Babel

Here's a photo below of Condoleezza Rice at the United Nations in 2005 with the numbers 666 behind her. Notice how the logo below was cleverly designed, celebrating the UN's 60th anniversary, to appear as 666 above...

Isaiah 40:15 and 17, "Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance: behold, he taketh up the isles as a very little thing. ... All nations before him are as nothing; and they are counted to him less than nothing, and vanity."

RECOMMENDATION # 666

The purpose of the European Union's creation was and is, ultimately, to create a European super-state or "United States of Europe," as some have suggested naming it, that would eventually rival the United States in influence and military might. In 1999, **Javier Solana** became the High Representative for the European Union's foreign and security policy, and through **recommendation number 666**, he was given emergency powers over the military wing of the European Union in 2000. All that currently remains to create a truly revived Roman Empire is the creation of a permanent executive branch of government and the full integration of the new Euro currency. With the introduction of the new European Union constitution, the groundwork is being laid for just such an executive branch and economic system.

"And they worshipped the dragon which gave power unto the beast: and they worshipped the beast..." — Revelation 13:4

CONCLUSION

Clearly, the European Union is preparing the way for the Man of Sin—The Antichrist! Few people realize just how saturated the United Nations and the European Union are with Satanism. The United Nations has all of their materials printed by ***The Lucis Trust***, originally founded in 1922 as ***The Lucifer Trust***.
